[Open letter on why IP is a catalyst for bringing in agricultural innovation in the EU- October.pdf](#)

Dear Ms Bury, Dear Claire,

Please find attached a letter from CropLife Europe addressing your queries regarding intellectual property (IP) protection in the context of the legislative proposal for the regulation of plants obtained by certain NGTs.

The letter references (i) a [report](#) commissioned by CropLife Europe that assesses the current IP landscape in the EU and its implications for various stakeholders, and (ii) an open letter signed by 32 companies, underscoring the importance of robust IP protection in fostering agricultural innovation. You will find the letter attached.

We remain at your disposal should you have any questions.
Kind regards,

Olivier
